In order to have a safe and fun summer, we remind parents to review these safety rules with their children. The family fun pool has many features and attractions. It is imperative for parents to keep a close eye on their children at all times. The river channel and vortex are moving water that can pull a child away from the wall. It is important that your children do not go past where they can stand if they are not swimmers. Parents must supervise non-swimmer children at all times. Any questions, please see the lifeguards.

## Pool Rules:

- No diving or running allowed
- Parents must stay in the water or sit on the edge of the pool if their non-swimmer child needs to wear water wings or any PFD (life jacket, inner tube)
- Smoking is NOT allowed
- No outside food or beverages are permitted inside the club or the pool area. All food should be consumed at the tables and away from the edges of the pool.
